Weekly Health Tip

June is "Home Safety Month"

www.safekids.org is a site that help adults understand the risk for injuries kids face at home or at play everyday. There are activities for kids/adults to learn about safety.

Children must be taught not to play around or inside cars. Make sure children know that when an adult gets into a nearby car, they should move out of their way to a place where the driver can see them.

There's nothing worse for a parent than losing a child. Now imagine if the tragedy could have been prevented.

Brown Deer Rolls Out The Barrels This Summer!

The Village is ready to "roll out the barrels" for summer fun in June-August as 25 colorful rainbarrels will be on display throughout the community. Brown Deer's first public art event will feature the work of local artists using a variety of artistic applications to showcase their talents. The rainbarrels will be on display at high-traffic Village locations (Village Hall, the Library, the Pond), along with sponsor locations including local businesses. Pick up a brochure at any rain barrel location and take a tour of our beautiful community to see all the barrels! Then save September 13 on your calendar, when the barrels will be auctioned off at Tripoli Country Club to benefit the Brown Deer Foundation, the event's presenting sponsor. All are invited to attend the auction and bid on their favorite barrel. Thanks to all of our talented artists and sponsors for their generous support of "Roll Out The Barrels!"
