Don't forget!
THIS Saturday, April 30th is
“The Deer Run”
If you're not running, come out
& support the ones who are!!!

COMMUNITY DEVELOPMENT DEPARTMENT

- The Zoning and Planning Specialist inspected two dozen properties reported vacant to confirm their vacancy and code compliance, as part of the effort to roll out enforcement of the new Vacant Property Registration Ordinance.
- The Zoning and Planning Specialist issued a final written warning to the owners and operators of the businesses at 4685 W. Bradley Rd., in regards to consistent and ongoing failure to adhere to at least three parts of the developer agreement for this property. Failure to respond to this final, written notice may result in the scheduling of a public hearing to revoke the conditional use permit for this property.
- The Lighthouse project is shooting for a June 4th occupancy.
- A new Chinese takeout business has contacted building inspection about plans to fill a portion of the former Shop on Sherman space. Building space designs are being investigated.
- A new single family residence has begun construction on 9067 Brandybrook Trail (Lot 30).

BDPD Weekly Recap “Weekly Allocation of Services”

WATER UTILITY NEWS

2016 Water main relay project is scheduled to be on Monday May 9 on N. 52nd St. between Dean Road & Churchill. Letters will be sent to homeowner's prior the start of construction detailing the construction project.

LIBRARY **UPCOMING WEEK'S ACTIVITIES:**

Friends of the Library's 19th Annual Plant Sale

Deadline for placing an order is May 11, 2016.

You can pick up an order form in the library, or print one off here: www.browndeerwi.org/friends-library-plant-sale/

Gift certificates are available in \$10 increments. **Plant pickup is scheduled for Saturday, May 21 from 10:00AM to 12:00PM at the Brown Deer Library.** All our profits are donated to the Brown Deer Library to enhance the level of services and resources. If you have any questions about the Plant Sale, please contact Joyce Lorfeld at 414-354-2909.

Rainbow Soup! Sat., May 14th & Sun. May 29th

Want to see some gorgeous artwork? The Brown Deer Schools are once again doing their Rainbow Soup art show hosted by the Brown Deer Library. Artwork from both schools are being displayed in our Community Room, and is open to the public.

Preschool Storytime!

Time to get your kids ready for this summer's storytime where we will embark on great imaginary journeys & construct awesome crafts.

Please register your child for storytime before attending. Space is limited, and crafts are only for those who are registered.

You can register at the Reference Desk, or by calling 414-357-0106.

Our story times are aimed towards pre-school aged children.

Children must be accompanied by a parent or caregiver.

Storytime will be:

- Mondays 10:30-11:30am - June 13th–August 8th
- Wednesdays 10:30-11:30am - June 15th–August 10th
(There will be no story times on July 4th or 6th)

Daycare groups are required to pre-register with the children's librarian for a **separate** storytime. **There is a limit of 1 of these special story times per session.**

Did you know the library has some unusual items for check out?

With your library card you can check out our bags game, which includes the boards and bags in a handy carrying case, perfect for your backyard barbeques this summer. Your library card can also allow you to check out one of our disc/Frisbee golf sets. The sets include three different weighted Frisbees along with some helpful sheets about courses nearby. And our final unusual item is eReaders. You can check out a Kindle Fire to try out at your leisure. All of these items are available for a seven day check out.

Recycling Center Hours

The Recycling Center is now on **SPRING** hours.

Recycling Center is open
Tuesday & Thursday
12 noon to 8:00pm

Saturdays from 10am to 5pm

For further info regarding the recycling center hours please call the DPW office at
414.357.0120

Weekly Health Tips

**Celebrate
"Bike to School Day"
on May 4th**

Bicycling to school helps students reach the recommended goal of 60 minutes of physical activity every day. Students also arrive at school energized & ready to learn. To improve the health of our children and community, encourage walking & bicycling to school!

NORTH SHORE HEALTH DEPARTMENT

- The Public Health Manager attended the National Association of City and County Health Officers' Preparedness Summit in Dallas, TX. In addition to attending sessions on topics such as Zika, active shooters and food system contamination, she also participated in a one-day pre-Summit mentoring program for new emergency preparedness coordinators called "Roadmap to Ready." Since 2002, state and local health departments, as well as Fire, Police and Emergency Management, have been tasked by the Federal government with portions of emergency preparedness for their communities.

The North Shore Health Department has twice been recognized as "Project Public Health Ready" for our ability to plan for, respond to, and recover from public health emergencies. We continue to update, improve, and exercise our preparedness plans to keep residents of the North Shore safe in emergencies or disasters.

- North Shore Health Department leaders participated in a Regional Ebola Virus Table Top Exercise with partners from around this region. These included all health departments in southeast Wisconsin, the Milwaukee Fire Department, Froedtert Hospital, Children's Hospital of Wisconsin, the Wisconsin Department of Health Services, and the Region 7 Healthcare Emergency Readiness Coalition, and many others. The purpose of the exercise was to evaluate current response concepts, plans and capabilities in response to a possible outbreak of a viral disease like Ebola or other diseases with high mortality.
- The Health Director/Officer presented to the North Shore Fire/Rescue Board of Directors key accomplishments from 2015 and objectives for 2016 in anticipation of the release of the Health Department's 2015 Annual Report.
- The North Shore Health Department, in partnership with Safe Kids of Southeastern Wisconsin and the North Shore Fire/Rescue collected over 170 child car seats for recycling this past Saturday at Fire Station 81 in Brown Deer.
- Health Department staff continues to work with REDgen to promote balance and resiliency in the lives of our youth and families. REDgen is non-profit coalition with community members such as school leaders, faith community leaders and health care providers. Their goal is to develop a new generation of resilient young people with a healthy understanding of what success means.
- Health Department staff attended a SafeKids meeting and presented information on dog bite prevention. As the weather warms up, everyone is anxious to get out for nice long walks around the neighborhood again. It is important to be aware of dogs approaching, whether you are walking on the sidewalk, biking on the street or working in your yard.
