“Quotes of the Week”

We are all
ONE
and only our egos,
fears and beliefs
separate us.

“WE ARE ALL BORN IGNORANT, BUT ONE MUST
WORK HARD TO REMAIN STUPID.”

BENJAMIN FRANKLIN

DEPARTMENT OF PUBLIC WORKS

To follow the 2016 construction projects & department reports go to DPW homepage at:
www.browndeerwi.org/departments/public-wor

LIBRARY UPCOMING WEEK'S ACTIVITIES:

Don't forget to participate in the Summer Reading Program!

All ages are encouraged to participate for awesome prizes and grand prize raffles! It is free and any and all books you read or listen to count towards your reading

goals! For more information, go to the links for each age group:

Children: www.browndeerwi.org/childrens-summer-reading-program-2016/

Teens: www.browndeerwi.org/teen-summer-reading-program-2016/

Adults: www.browndeerwi.org/adult-summer-reading-program/

Lego Club: Tuesday, July 19th at 4:00pm

Come play and build with Legos!

The club is open to anyone who is old enough to play with Legos by themselves.

DIY Bleach T-Shirts: Wednesday July 20th from 3:00-4:00pm

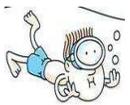

Bring your own shirt, tote bag, or other fabric item of your choice and make a cool bleach design on it! Darker colors work best – this will not work on white shirts. And be sure to wear old clothes!

Friday July 29th from 3:30-4:30pm
Registration is required, & will begin
Friday July 15th.

We are pleased to inform you that your presence is requested to celebrate the birth of the Boy Who Lived Harry Potter & author J.K. Rowling, as well as the release of the *Harry Potter and the Cursed Child, Parts I & II*. Upon arrival dignified guests will make a wand, be sorted into Hogwarts houses & complete classes, such as Transfiguration where a sucker will be turned into a spider. Come and join us for a magical evening!

PARKS AND RECREATION DEPARTMENT

Brown Deer Pond is OPEN

Pond memberships are available at the Parks & Rec. Dept. Pond hours are 11:00am-5:00pm daily, weather permitting. The last day the pond is open is Sunday, August 21st.

Programs include adult fitness classes, summer playground, arts and crafts, tennis, golf, karate and more!

To register, stop by the Recreation Dept. or go online at:

<https://apm.activecommunities.com/bdparrec/>

Accepting reservations through September

Looking for an outdoor spot to have a gathering?

Why not rent a shelter in Village Park! Shelters

are available to rent 7 days a week from 10:00am-10:00pm.

Stop in the Recreation Dept. or call 414-371-3070 for info.

Recycling Center Hours

The Recycling Center is now on **SPRING** hours.

Recycling Center is open
Tuesday & Thursday
12 noon to 8:00pm
Saturdays from 10am to 5pm

For further info regarding the recycling center hours please call the DPW office at 414.357.0120

Weekly Health Tips

"Water Safety"

Young children need to be supervised at all times around bathtubs, swimming pools, and natural bodies of water.

Avoid distracting activities such as playing cards, reading books or talking on the phone while supervising children near water.

Always stay close enough to reach out and touch young children at all times.

NORTH SHORE HEALTH DEPARTMENT

Sexually Transmitted Diseases (STD's) are infections that you can get from having sex with someone who has the infection. The causes of STDs are bacteria, parasites and viruses. There are over 20 types of STDs including Chlamydia and Gonorrhea. Chlamydia and Gonorrhea are bacterial infections that infect both men and women. Chlamydia and Gonorrhea have similar

symptoms including penile discharge and painful urination in men as well as vaginal discharge and painful urination in women. Chlamydia and Gonorrhea are both treatable with antibiotics but issues can arise if left untreated. Many people experience no symptoms at all and are unaware that they are infected. When left untreated, these infections can cause a variety of issues from infertility in women to sterility in men. Bacterial infections such as Chlamydia and Gonorrhea are treatable, but there are many viral STD's that aren't treatable including HIV/AIDS, Genital Herpes, and Syphilis.

You can protect yourself by:

- **Vaccinating-** Vaccines are safe, effective, and recommended ways to prevent hepatitis B and HPV.
- **Reducing number of sex partners-** Reducing your number of sex partners can decrease your risk for STDs. It is still important that you and your partner get tested, and that you share your test results with one another.
- **Condoms-** Correct and consistent use of the male latex condom is highly effective in reducing STD transmission. Use a condom every time you have anal, vaginal, or oral sex.
- **Mutual Monogamy-** Mutual monogamy means that you agree to be sexually active with only one person, who has agreed to be sexually active only with you. Being in a long-term mutually monogamous relationship with an uninfected partner is one of the most reliable ways to avoid STDs.
- **Abstinence:** The most reliable way to avoid infection is to not have sex.

If you need to get tested, you can visit your primary care provider.

Last week at the North Shore Health Department

The Health Officer met with the Director of Safe Communities America at the National Safety Council. Discussions included injury prevention resources from the National Safety Council and the process of becoming a designated Safe Community.

Health department staff attended the Fox Point Farmers Market. Information on lead exposure was provided. Throughout the summer, we will be sharing lead poisoning information at events in all seven communities, but you can read more about ways to protect your family at www.dhs.wisconsin.gov/lead/index.htm
