THE INTERN: *Ben Whittaker is a 70-year-old widower who has discovered that retirement isn't all it's cracked up to be. Seizing an opportunity to get back in the game, he becomes a senior intern at an online fashion site, founded and run by Jules Ostin. Performers: Robert De Niro, Anne Hathaway, Rene Russo, Linda Lavin, Celia Weston, Anders Holm, Adam Devine, and Nat Wolff.*

New Materials:

Owl Sees Owl by **Laura Godwin**— **XJ GODWIN NEW** - A baby owl flies from the safety of his nest for the first time to explore the starry nighttime world before being startled back home, in a luminously illustrated picture book that features sparse text inspired by reverso poetry.

A Shadow Bright and Burning by **Jessica Cluess**— **YA CLUESS NEW** -

Forced to reveal her powers of spontaneous combustion in order to save a friend, Henrietta, a first female supernatural in centuries, is invited to train as one of Her Majesty's secretive royal sorcerers in fulfillment of a prophecy that she comes to discover is part of a powerful deception.

Darktown: A Novel by **Thomas Mullen** - **F MULLEN THOMAS NEW** - Responding to orders from on high, the Atlanta Police Department is forced to hire its first black officers, including war veterans Lucius Boggs and Tommy Smith. The newly minted policemen are met with deep hostility by their white peers: they aren't allowed to arrest white suspects, drive squad cars, or set foot in the police headquarters. When a black woman who was last seen in a car driven by a white man turns up dead, Boggs and Smith suspect white cops are behind it. Their investigation sets them up against a brutal cop, Dunlow, who has long run the neighborhood as his own, and his partner, Rakestraw, a young progressive who may or may not be willing to make allies across color lines.

Weekly Health Tips

It's cupboard cleanout time!
Go through your cupboards and get rid of items that you may have bought that are high in sodium, fat or sugars. Take a note of them and look for lower sodium, fat or sugar items to replace them. For help reading a food label, go to hap.org and type "Food Label" in the search box and select the document titled, "Healthy Eating: How to Read Food Labels."

NORTH SHORE HEALTH DEPARTMENT

DID YOU KNOW?

September 22nd, the first day of fall, was Falls Prevention Awareness Day. Falls are a threat to the health of older adults and can reduce their ability to remain independent. In the US, an adult aged 65 or older falls every second. In 2014, Wisconsin had the second rate of fall-related deaths in the United States, with over 1,000 people dying from a fall. Falls are not an inevitable part of aging. Exercise, medication management, having your vision checked, and making your living environment safer are all steps people can do to prevent a fall.

The North Shore Health Department conducted Fall Risk Assessments based on the guidelines from the Centers for Disease Control and Prevention. Risk assessments included a medication review, blood pressure screenings, and an evaluation of gait, strength and balance. Participants were provided resources to minimize their risk and to improve the likelihood of remaining independent. For more information on fall prevention or if you would like to schedule a fall risk assessment with a public health nurse, please visit the health department's website (<http://www.nshealthdept.org/InjuryPrevention>)

Last week at the North Shore Health Department

Staff met with the Centers of Disease Control and Prevention (CDC), North Shore Fire/ Rescue and representatives from Columbia St. Mary's regarding fall prevention activities in the North Shore. The CDC was interested excited to hear about unique partnerships and local initiatives to address falls.

The Nurse Supervisor attended the Shorewood Dementia Workgroup, where the group finalized their Dementia Education public presentation series. [All presentations will be held at the Shorewood Village Center from 7:00pm – 8:30pm.](#)

September 27th - "Is it or Isn't it: What is Dementia?" Gina Green-Harris of the Wisconsin Alzheimer's Institute will discuss what dementia is and isn't, what types of dementia there are, and how dementia differs from normal aging.

October 18th- Legal and Financial Planning

November 1st- What Kind of Help is Out There for Someone with Dementia and Their Care Partner?

Public health nurses attended the annual Immunization Symposium hosted by the City of Milwaukee Health Department. The topic was the importance of vaccines for all ages. Discussions included the importance of the human papillomavirus vaccine (HPV), including a personal story from a cancer survivor, and information on vaccine hesitancy, recommendations for the 2016 flu vaccine, and new vaccine products.

The Public Health Manager, a Certified Lactation Counselor, attended the Wisconsin Association of Lactation Consultants. Continuing education was provided on the microbiome in breastmilk and on breastmilk donation after loss.
