## Halloween Trick or Treat Safety Tips

- Go Trick or Treating with an adult – **NEVER** go alone!
  - Stay on streets where there are lots of lights.
- Wear bright colors, reflective tape or carry a flashlight so cars can see you.
  - **NEVER** go into strange houses!
- If you wear a mask, make sure the eye holes are **BIG** enough, so you can see where you are walking.
- Always let an adult check the treats **BEFORE** you eat them.

**Happy Halloween!**
